THE ORGANIC COSMETIC COMPANY

The Organic Cosmetic Company was founded to meet the demand for good quality skin care that actually delivers results. The company's vision is to supply premium skincare at affordable prices. The company's ethos is to focus on natural solutions; hence all our products are either organic or derived from organic sources. Please contact us info@organicc cosmeticcompany.com or visit our website www.organicc cosmeticcompany.com

BELOTERO[®]

MERZ

Merz Pharmaceuticals provides the expertise required to deliver a range of specialist dermal filler products to suit the practitioner and their client. Belotero[®] is a highly cohesive super-soft Hyaluronic Acid dermal filler which provides a natural looking transition between treated and untreated areas. Belotero[®] provides the desired look without being obvious to the touch or feel for the client. Ask for your local practitioner at customerservices@merz.com or call for more information on 0208 236 3550.

FINE LIGHT - TURNS BACK THE AGEING CLOCK

Fine-Light, the new skin rejuvenation system using the Red LED Light Therapy technology, improves the skin's appearance by reducing fine lines and wrinkles. Developed by NASA and heralded as the 'No Knife Face Lift', Red LED Light Therapy can help you to control the ageing process by rejuvenating the skin, restoring a more youthful tone and smoothing out fine lines. www.fine-light.co.uk Telephone 01792 797891
